1. Contributor owns, and has sufficient rights to contribute, all source code and related material intended to be compiled or integrated with the source code for any Jive Software Open Source projects (the "Contribution") which Contributor has ever delivered, and Jive Software has accepted, for incorporation into the technology made available under the open source projects on igniterealtime.org.

2. Contributor hereby assigns to Jive Software joint ownership in all worldwide common law and statutory rights associated with the copyrights, copyright application, copyright registration and moral rights in the Contribution to the extent allowable under applicable local laws and copyright conventions. Contributor agrees that this assignment may be submitted by Jive Software to register a copyright in the Contribution. Contributor retains the right to use the Contribution for Contributor's own purposes. This Joint Copyright Assignment supersedes and replaces all prior copyright assignments made by Contributor to Jive Software.

3. Contributor is legally entitled to grant the above assignment and agrees not to provide any Contribution that violates any law or breaches any contract.

4. Contributor represents and warrants that by agreeing to be bound by the terms and conditions hereof Contributor is also binding its employees and contractors to the terms hereto and will indemnify Jive Software for any breach of the foregoing.
